

SGRR University — Fee Structure 2026-2027

Clean, searchable reference extracted from the uploaded PDF

What was removed: repeated headings, repeated university contact details, duplicate MPT pages, OCR/formatting boilerplate, and explanatory filler. The fee values themselves are kept as stated in the source.

Important: where the source itself is ambiguous or labels two schedules only as “Fee Structure 1/2”, that wording is preserved instead of guessing.
